

EPCS

ADAPT E1 Series

An all-in-one earbud designed for the professional and personal you. With multi-point connectivity, Microsoft Teams and Made for iPhone certifications users will enjoy seamless communication plus unmatched comfort and exceptional sound all day.

Key Features

Never pause your productivity with 50 hours of battery

Power through the day with impressive battery life and keep the momentum going with wireless case charging whenever you need it.

An earbud certified for professionals

UC certifications, multi-point connectivity and device management boost productivity and let you switch easily between any phone, PC or tablet.

So comfortable you will forget you're wearing them

More than half a million ear scans can't be wrong. EPOS IntelligentFit™ ensures a comfortable fit and superior acoustic performance.

Speak effortlessly without the feeling of blocked ears

Hybrid ANC, semi-open acoustics, and EPOS advanced algorithms make conversations easier and more natural.

Delivers an outstanding music experience

Enjoy a headset-quality listening experience with rich, detailed sound that brings your music to life.
